

NEUTRALIZE

IP20

CLASS II

CE

SECTION 09: INDUSTRIAL

FEATURES & BENEFITS

- > UV-C ultraviolet lamp effectively kills microorganisms including viruses, bacteria and fungi
- > Disinfection efficiency: 25 m² (72W) 35m² (108W)
- > Lifespan of light source: 9000hrs
- > Ergonomic movable handle

PERFORMANCE

Light source	UV-C Ultraviolet lamp
Supply Voltage	220-240V
Disinfection time	15 minutes

MATERIALS

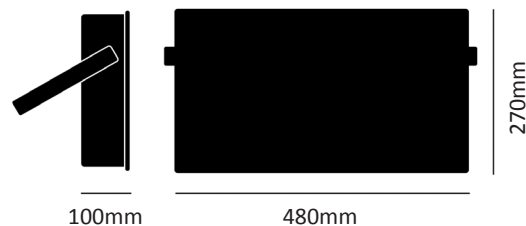

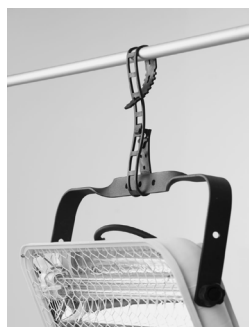

Finish	White
Mounting	Universal mounting strap Optional tripod stand accessory available

OPTIONS

- > ON - OFF switch
- > Tripod stand

STANDARD ACCESSORY

Universal strap
